

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF NORTH CAROLINA
5:23-cv-5-FL

The Common Application, Inc.,

Plaintiff,

v.

Bonck America Corporation f/k/a
Beijing Bonck Technology America
Corporation,

Defendant.

MOTION FOR EXTENSION OF TIME

Defendant Bonck America Corporation moves, under Rule 6, for a 30-day extension of time in which to file a responsive pleading. Defendant's answer is currently due 3 April 2023.

The Court had previously allowed an extension through 3 April 2023 so the parties could attempt to resolve this matter through a settlement. The parties have agreed, in principle, to a settlement and circulated a draft settlement agreement. However, the parties are still working towards a compromise on minor issues (e.g., mandatory jurisdiction).

Defendant prays that the Court enter an order extending Defendant's time in which to file a responsive pleading 30 days up to and including 3 May 2023 so that the parties may continue to negotiate a settlement without needing to dedicate additional resources to pleadings that may become moot.

Respectfully submitted,
3 April 2023
